

N. Psaras Construction Co. Ltd

You did it! **Congratulations** on becoming

Great Place to Work - Certified™.

This is a big deal. You have worked hard to create a workplace where every employee has a consistently positive experience. That kind of powerful culture unlocks the full potential of your people and drives real business results.

Now it's time to celebrate and tell the world you're Certified! Show off your badge everywhere. Throw your organization a party. Post on social media and tag us on Instagram at GPTW® Cyprus with the hashtag #GPTW Certified so that we can celebrate with you. This kit gives you all the tools you need.

The benefits of Certification are huge. It instills pride in your team, lets candidates know that they will have a great experience when they choose to work for you, and gives your customers confidence that they've made the right choice.

Welcome to our community and congratulations, again, on your success.

Sincerely,

The Great Place To Work® Cyprus Team
